

WORKSPACE48™

MotionOffice

The way we work has transformed. This new age of work consists of a diverse range of tasks such as individual work to collaborative work and everything in between. MotionOffice is about meeting the demands of this new way of working and delivering the most effective environments to suit the diverse range of tasks carried out.

LOOP

The Motion Loop range allows for endless layout possibilities to suit any environment. Creating waiting room areas or collaborative zones is easy with simple loop forms.
